Green Travel Leader Award Winner:

Arcady Vineyard Bed and Breakfast

Charlottesville, Virginia

Virginia Green Travel Leader Award Summary

- ✓ Arcady Vineyard Bed and Breakfast is located in Charlottesville and features four bedrooms that sleep two each. Arcady Vineyard Bed and Breakfast is committed to environmental excellence and works to minimize environmental impacts whenever possible.
- ✓ Purchasing locally to save – local breakfast food, local artisan chocolate, local jams, local cheese.
- ✓ Creating a new driveway entrance using the rocks on our property and will be planting native plantings around it that will not require fertilization or watering.
- ✓ Recycling glass, aluminum cans, steel cans, plastic, office paper, toner cartridges, newspaper, cardboard, packing supplies, fluorescent lamps, batteries, electronics equipment and chocolate boxes (return to store for refill)
- ✓ Composting excess food waste
- ✓ Using the water from the air conditioning for watering plants near the B&B building. The hose that normally is put outside is put in a barrel and collects a large amount of water daily.
